Quality, Environmental, Occupational Health & Safety (QEHS) Policy

We at **Chloride Metals Ltd** (CML) manufacture and supply lead, lead base alloys and small components in pursuit of core values of our customer orientation and striving for excellence by integrating Occupational health & safety (OH&S), Environment and Quality management in all our operations.

In this regard CML is committed to:

- ✦ Prevent Injury & ill health in our workplace by eliminating OH&S hazards and reducing OH&S risks.
- ✦ Protect Environment by conservation of natural resources and preventing pollution through waste minimization, reduce, reuse & recycle practices.
- ✦ Enhance customer satisfaction by consistently meeting their needs and expectations.
- ✦ Comply with all applicable Environmental, OH & S legal and other requirements.
- ✦ Continually improve the effectiveness of our QEHS performance through active participation & consultation of employees and by achieving of our intended QEHS objectives.

K. Aniruddha
